

# Aberdeen City & Aberdeenshire ADPs

## Working with People who use Alcohol and Other Drugs:

This 4-day module is aimed at level 1 and level 2 practitioners and contains necessary underpinning knowledge and opportunities for skills development, whilst exploring the roles participants have in improving outcomes for those affected by alcohol and other drug use.

### Learning Outcomes

By the end of this module participants will be able to:

- Recognise the current issues in the drug and alcohol field. Identify key requirements for good practice within service delivery.
- Describe the required skills, knowledge and attitudinal base for working with this client group.
- Express confidence in working with this client group.
- Recognise the range of services involved in meeting the needs of those affected by substance misuse.
- Identify their future support needs.

**Venue:** Library, Staff Home, Woodend Hospital, Aberdeen, AB15 6XS.

**Dates:** 25th and 26th August and 1st and 2nd September.
